BOSTON, MASS.

CONSULTATION BY APPOINTMENT

December 16, 1963

Dear John:

I am glad you read the Rhode Island papers; many thanks for the clipping. I got quite a few of the Rhode Islanders to walk up five flights with me the other evening! Have you gotten started yet?

Merry Christmas and a Happy New Year -- but don't be too merry.

Sincerely yours,

Paul D. White

Congressman John E. Fogarty
